

:: EVOSPORT HIGH PERFORMANCE DRIVING CLINIC (HPDC)

Evosport invites you to another exhilarating High Performance Driving Clinic (HPDC) at Willow Springs International Raceway (the BIG track), on **Thursday, February 19, 2009**. The combination of instruction, track time, food, weather and amazing assortment of machinery can't be beat, anywhere! Come see what you've been missing.

Our events are the ideal place to drive your car the way it was meant to be driven- in a safe and controlled environment with no speed limits and no tickets! It's also the place to sharpen and enhance your driving and car control skills. Whether you're a novice or experienced racer, we work with you and your goals. You will always drive as fast as you feel comfortable.

:: Our events include:

- A very exhilarating and safe environment (no timing)
- As one regular participant put it: "The most fun you can have with your clothes on!"
- A limited number of cars to maximize safety and track time and ensure availability of instructors
- More track time in one (1) day than most other events provide in two days!
- 1-on-1 professional on- and off-track driving instruction
- Controlled "fun races" for those experienced drivers who wish to participate
- Corner workers with flags
- Emergency vehicle on-site

:: And if that weren't enough, your entry fee also includes:

- Breakfast upon arrival (typically juices, fruits, breads, pastries, etc.)
- Water and fluids offered all day
- A gourmet catered lunch (ribs, steak, chicken, sausages, veggies, pasta, slaws, etc.)
- Free helmet loaners for the day

"I've been to many different track events, and this is by far the most rewarding, professional and fun! Nothing comes close and you can be sure I'll be back again and again!" – Student Driver

So what do I need? To start, you need a safe car. The car does not have to be fast or modified, so long as it is in a safe operating condition. Convertibles with factory rollover protection are allowed. For safety purposes, a helmet (preferably open-face) is required for all drivers and passengers on the track at all times. If you don't own a helmet, a loaner helmet will be provided for the day at no charge. Racing apparel is optional and not required. At the minimum, we require long pants, a short or long-sleeve shirt, socks and comfortable closed-toe shoes. **Note:** Licensed drivers under the age of 18 require parental consent.

What does all this cost? When you register *and* pre-pay by the early registration deadline below, your entree fee is only **\$395** for the day! Registration after the deadline is **\$495**. Your fee includes track time, loaner helmet, instruction on/off track, breakfast and lunch. You may bring one guest with you to spectate and indulge in breakfast and lunch (guests may not be allowed to drive on track; \$30 fee per each additional guest). Registration is accomplished by completing the attached form and sending in your payment.

:: Early Registration Deadline: February 2, 2009

We are confident you will be as excited about participating in these track events as we are providing them for you! This event will fill quickly and you need to register and pre-pay to take advantage of the discounted pricing. So don't delay!
