

November 15, 2007

To Whom It May Concern:

This letter is to give any BMW CCA Club Racer authorization to alter the color of the required "evosport" sponsor decal. The size must remain 16 inches long.

Although we have supplied contour die-cut stickers, we are also giving specific authorization to use a full die-cut sticker.

This letter will serve as authorization for the remainder of the 2007 season as well as the complete 2008 season.

Thank you for your cooperation
